

THE FUTURE OF WORK:

New ways of working and implications for future
Auckland

Dr Tim Bentley, *Professor of Work and Organisation*
Massey Business School

The business world of tomorrow will bear no resemblance to today's workplace

Tomorrow's workforce

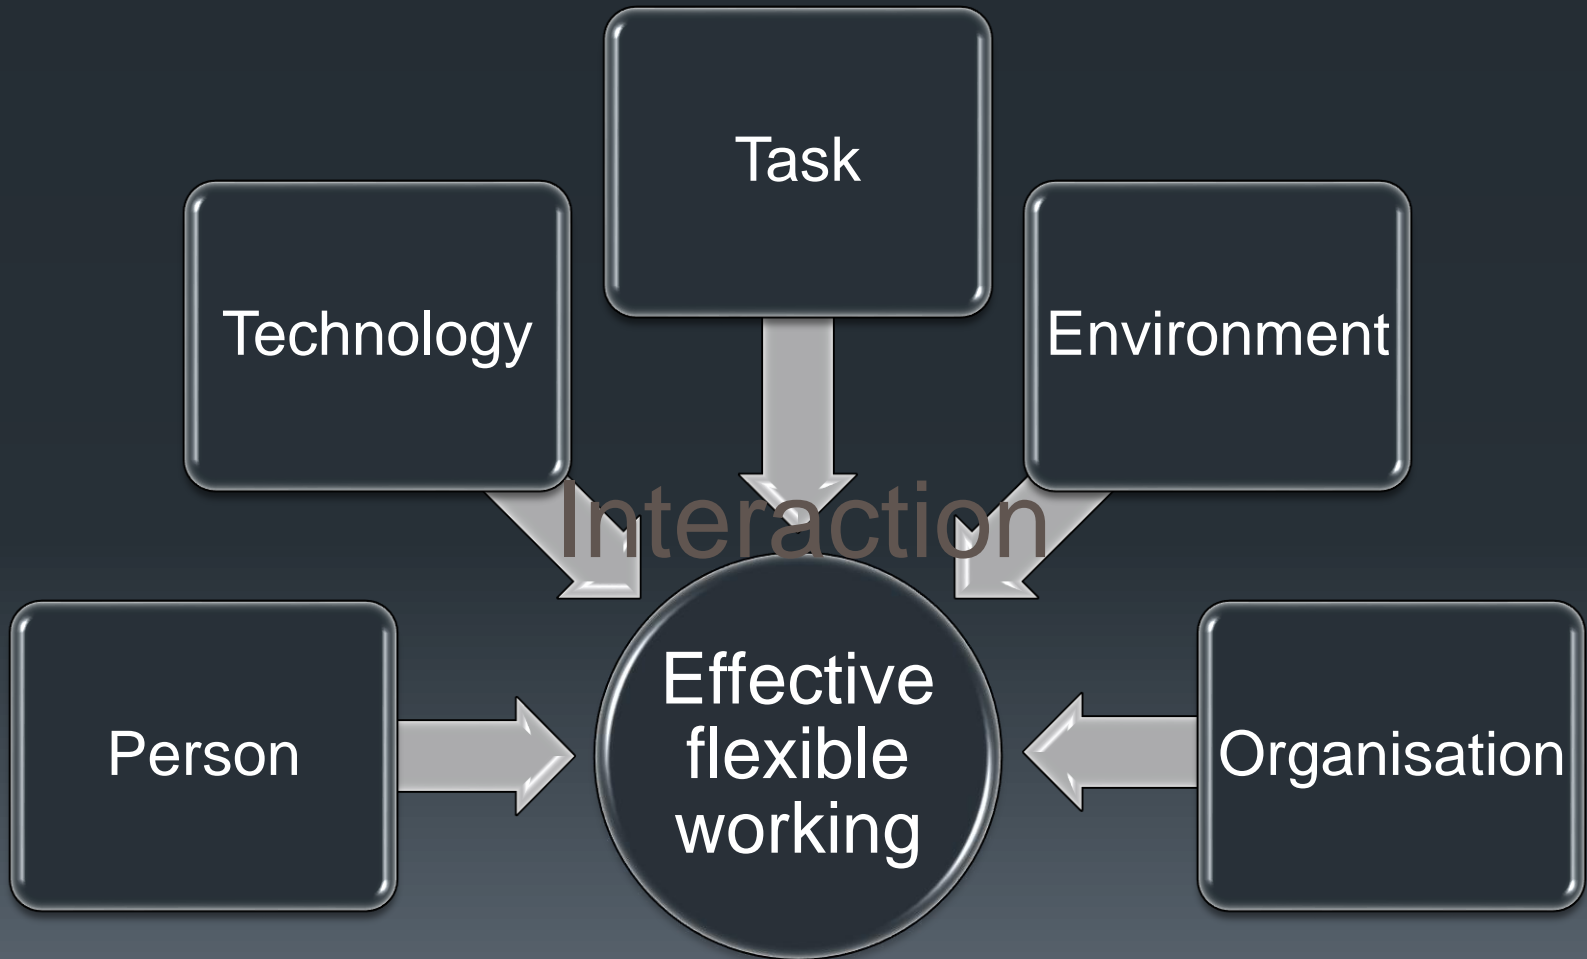

The technology revolution and work

- Connect and collaborate – anywhere, anytime
- The rise of flexible working
- The rise of digital work hubs/co-working centres

Factors for effective flexible working

The 'F' word: Flexible working in Auckland City

So what's the estimated prevalence of flexible working in Auckland?

Implications for Auckland's infrastructure development

- Reduced transport stress
- Increased city resilience and sustainability
- Regional development
